#### Activity and Web-based Probability & Statistics Workshop

# Workshop Welcome & Introductions

#### UAH, July 13-16, 2004

## Workshop – Who?

- The collaborative team
  - Leigh Lunsford, ASU & UAH
  - Tracy Goodson-Espy, UAH
  - Ginger Rowell, MTSU
- The speakers
  - Allan Rossman, Cal Poly, SLO
  - Kyle Siegrist, UAH
- Graduate assistant Dawn Duerhing, UAH

## Workshop – Why?

- Share what we have learned
- Exposure to new methods and materials for teaching calculus-based probability and statistics
- Share ideas for invigorating our teaching
- Have fun!

## **A Little About Our Grant**

#### NSF A&I Grant

- Adapt & Implement Rossman/Chance and Siegrist Materials
- Types of classes & students taught
  - Mostly Probability (ASU, UAH)
  - Mostly Statistics (MTSU)
  - Engineering, Mathematics, CS, Math Ed
- Educational research component
- <u>http://www.mathspace.com/NSF\_ProbStat/index.htm</u>

#### **Workshop Format**

- Model what goes on in the classroom (participants play role of students)
- Some web authoring (some optional)
- End of day discussions
  - Implementation,
  - Adaptation,
  - Assessment &
  - General teaching philosophies
- Link to Workshop Schedule

## Logistics

- UAH map in folder
- Paperwork for per diem
- Lunch at Bevill Center (tickets)
- Dinners at local restaurants use van or drive own car
- Other
- Questions??

#### Introductions

Organizers

Participants

Presenters

Dr. Allan Rossman, Cal Poly SLO
Dr. Kyle Siegrist, UAH
